

## Thank you for joining our ride today

Cycling UK Reading is part of Cycling UK, the national cycling organisation. We represent the area around Reading, Bracknell, Henley-on-Thames and West Berkshire. All Cycling UK members living within Reading postal districts are automatically members of Reading CTC.

Our principal objective is to provide a regular programme of bike rides. These are held most Sundays with additional mid-week rides on Tuesdays & Wednesdays. This covers both on and off road cycling and occasionally even both. Some are day rides, evening rides or morning only rides. Rides leave from several locations in and around Reading. We cover a range of abilities from short leisurely rides to longer summer rides with the occasional brisk workout as well as weekends away and other tours further afield. Look at our rides list to get a flavour of what we offer at [www.readingctc.co.uk/rides](http://www.readingctc.co.uk/rides)

With a wealth of local knowledge, a strong appreciation of the countryside and a focus on the social side of cycling, you'll be surprised at what Cycling UK Reading has to offer.
