

Webmaster Report – AGM 2024

It's been a quiet year on website development. No new features have been added.

There have been no changes to the hosting of domains or web and email services

Website traffic is similar to last year with an average of 107 unique visitors/day viewing an average of 2.3 pages

Among the referring websites are singletrackworld.com and audax.uk

Social media accounts do not come into the scope of the Webmaster
